The Worth Athletic Association is a baseball and softball league for boys and girls of Worth and its surrounding communities. The mission of the Worth Athletic Association is to help shape our children into better citizens of the community by building a sense of character, teamwork, and discipline through fun and healthy competition in a safe environment.

The dues of our members make up only a portion of our yearly budget. Thus, we depend on the generous contributions of businesses like yours to maintain the worthy goals of our organization. We ask you to please help us continue to make the Worth Athletic Association an asset to our community. We are a registered nonprofit organization so your contributions are tax deductible. Thank you in advance for your support.
